

Fibro AMJ Day-Time Formula

Welcome support when dealing with pain, stiffness, sleep disorder and fatigue

Fibro AMJ Day-Time Formula is the most scientifically advanced and complete formula ever developed for musculoskeletal and nervous system support. This formula contains powerful metabolites and herbal extracts that support tissue and joint repair, energy production and pain reduction.

Key Points

- **Increased Energy:** To help combat fatigue and improve energy levels, Fibro AMJ Day-Time Formula includes Magnesium and Malic Acid, two ingredients that have been shown to be essential in the energy production cycle.
- **Joint and Tissue Support:** Glucosamine has become well known for its tremendous support to the structural system. Bovine cartilage is combined with glucosamine in this outstanding formula to help promote cartilage production in the body, which is necessary for joint and tissue repair. In addition, methyl sulfonyl methane has been included as an important source of dietary sulfur, which plays an integral part in the proper function of many proteins, hormones and other substances that are critical in keeping muscles and joint healthy.
- **Support for Healthy Inflammation Levels:** To help support joint health, increased mobility and decreased morning stiffness, boswellia serrata is an important component of the Fibro AMJ Day-Time Formula.
- **Antioxidant Power:** Powerful antioxidant support is also an essential part of good health, helping to fight free radicals.
- **Night-time System Support:** In addition to the Fibro AMJ Day-Time Formula, 4Life also offers the benefit of Fibro AMJ Night-Time Formula to promote restful sleep and support normal sleep patterns.

Did you know?

Multiple clinical studies indicate that in just 45 days after taking glucosamine daily, you may begin experiencing remarkable results as it works naturally within your body.

Technical Points

- Vitamin B6 is an important co-factor in the production of several important neurotransmitters such as serotonin, gamma-amino butyric acid and dopamine.
- L-cysteine has been shown to play a critical role in the prevention of skeletal muscle conditions.

DIRECTIONS: Take three (3) capsules daily with 8 oz of fluid.

Serving Size: Three (3) Capsules
Servings Per Container: 30

Supplement Facts

Amount Per Serving	%DV
Vitamin B6 (as pyridoxine hydrochloride)	10 mg 500%
Magnesium (as oxide)	200 mg 50%
Malic acid	400 mg *
Glucosamine Hydrochloride	800 mg *
Bovine cartilage (natural concentrations of mucopolysaccharides and chondroitin sulfates)	200 mg *
Proprietary Blend	437 mg *
Methyl Sulfonyl Methane (MSM)	
<i>Boswellia serrata</i> (20-25% boswellic acids, 70% totally organic acids)(tree resin)	
N-Acetyl Cysteine	
Bromelain (400 GDU)	
L-Cysteine	
Grape extract (natural concentrations of polyphenols, antho-cyandins, catechins, proanthocyanidols and resveratrol)(<i>Vitis vinifera</i>)(seed, skin and stems)	
Devil's Claw (1.5%-2.5% harpagosides)(<i>Harpagophytum procumbens</i>)(root)	
Alpha Lipoic Acid	
Boron (as citrate)	

* Daily Value not established

Other Ingredients: peppermint leaf, peppermint oil, vegetable oil and silica.
